Good morning Y6 - I hope your first week went well!

I am checking SATs Companion and Reading Plus every day to see what fantastic progress you are making – keep up all your hard work, you are making me very proud!

Remember, that as well as keeping on top of all these tasks, you should make the most of family time and try and play some games together! If you haven't already, please see the bottom of this document for a suggested timetable; you might like to make your own! I have included some nice links which you might enjoy when you have some 'free time'.

9.30 – 11.00	Academic Time
11.00 – 11.20	Break
