

## Year 6 to Year 7 Preparations Plan:

I have mapped out a little plan so that you can see what is coming each week – I will add this to the website too.

<b>Week 1</b>	<b>Week 2</b>	<b>Week 3</b>	<b>Week 4</b>	<b>Week 5</b>	<b>Week 6</b>
Worries and fears.  Preparing to remember our primary school days.	What is the same or different about your new school?	Top tips and scenarios to prepare for.	Organising your time & using a timetable.	Plan your route to school.	Write a letter to your year 6 self.

As you think of things you want to know, send me an email on Purple Mash and I will add it onto the weekly tasks.
