

Come and see the wonderful changes we have made to our corridors!

- We miss seeing you in our school so we thought we would share with you how it looks at the moment.
- We had some wonderful new flooring fitted in the summer term last year!
- In the October half term, the corridors for Key Stage Two were transformed from bland walls to bright and colourful designs (all thanks to our school council) – take a look!

We love reading and really
wanted a wall to inspire us
to go and visit the library!

We thought it would be great to learn about where our food comes from so we had maps fitted around our school dinner hub!

It is great to stand here now whilst we wait for our lovely hot food!
