| Invest in a system which enables us to pay electronically. | This has been explored before and will be looked into again. The anticipated charges for providing this service have been prohibitive in the past.                       |
| Use of the main path, instead of side access.              | <b>We reintroduced this in January 2023.</b>   |
| It would be useful to have a way of contacting teachers.   | A phone call or meeting with your child's class teacher can always be requested through the school office. Our staff always endeavour to respond as quickly as possible. |
