Holy Name PTA

Holy Name School PTA - Annual Report 2022/2023

Firstly, I would like to thank everyone on the PTA for their help and support during the past year. As always, they have brought new ideas and valuable contributions, but most importantly they have given us their own time and effort for the good of the school and its pupils. Thanks also to parents who helped to man stalls and activities for the Christmas Fayre and Summer BBQ. We are always looking for more parents to join the PTA and add their input into fundraising for school improvements and a better experience for the pupils. To ensure continuity, and for the PTA to be successful, it is vital that we continue to attract new parents every year.

Our Christmas Fayre was held outside again this year and was a successful event with great support shown from the school and parents. We held our summer BBQ in July, and it was great to see a big turnout despite the weather not being kind to us. We also held a race night during the year, held in school, which while not overly busy with people generated a good return. We also held a Monster ball in October which is always a favourite with the kids. Thank you to all parents and extended families who continue to attend and support these events.

Fundraising for all four events was down on previous years but we did have more cost than usual as we had depleted previously build up stock of decorations, toys etc. As always, we continued to support our annual commitments such as Communion books, year 6 t-shirts, Easter Bonnet prizes and year six prom. We also paid for the coach costs for the year six residential trip. Other incidental costs for the year included new gazebos for the summer fete.

This report and the accounts are available for all to view, and I would like to include it as an accurate record of the events over the last 12 months.

Thank you very much for your support.

P.J. Doocey
