

**HOLY NAME
P.E. & SPORT PREMIUM
PLANNED SPENDING
2016-17:**

The government is providing £450 million on improving physical education (PE) and sport in primary schools for the academic years 2013 to 2014, 2014 to 2015 and 2015 to 2016.

For the financial year 2015-16 the school received £8000 plus £5 per pupil.

Holy Name has used this funding to employ a specialist coach from Sports Plus Scheme (SPS) during the summer term 2015-16.

Schools can choose how they use the funding, for example to:

- hire specialist PE teachers or qualified sports coaches to work with primary teachers during PE lessons
- support and involve the least active children by running after-school sports clubs and holiday clubs
- provide resources and training courses in PE and sport for teachers
- running sport competitions or increase pupils' participation in the School Games
- running sports activities with other schools

At Holy Name Primary school we believe that physical activity and sport are essential in helping allow children to reach their full potential. We aim to promote healthy lifestyle choices alongside taking part in physical activity. We work together to deliver key aspects of the PE curriculum: developing competence; allowing children to be physically active for sustained periods of time; engaging in competitive sports and activities.
